3. **Guest – Tracy Lakeman – Tourism Richmond**

Tracy emphasized the commitment of Tourism Richmond to the support of the sporting community and their continued involvement with Sport Hosting. Tracy explained that a new committee had been formed, as part of the new agreement with City, with representatives from Tourism Richmond, Olympic Oval, City staff plus a representative from the Hotel group who is the Chair (Steve Veinot).

Terry enquired if leads were being tracked and Pam responded that this was done by Sports Hosting via the grants applied for. Terry continued that he would like to see how effective this process was and the dollar value and economic impact to the community. Tracy commented that this information was available for 2011-2012. General discussion followed on the role of Tourism Richmond and the City and support of the sporting community. Tracy continued by providing a background on the Tourism Richmond relationship with the City and the governance change resulting in this new committee being formed.

Donna commented that there appeared to be a disconnect in communication between Richmond Sports Council, Tourism Richmond and Sport Hosting. Pam responded that she would be more than happy to give a small presentation at a future meeting of Sports Council on what Richmond Sport Hosting could do to help sports groups when hosting a tournament.

Tracy concluded that a Economic Impact Report was a good idea and she would take this suggestion to the next committee meeting.

#### **4. Staff Update**

Gregg stated that the 2015 Budget would be reviewed at the February 10<sup>th</sup> Council meeting.

Minoru field open and a lot of the fencing has been removed, only 2 zones have ongoing construction.

#### **5. Minoru Fields Update**

Bob confirmed that the next committee meeting was scheduled for February 11. However, a meeting was held on February 10<sup>th</sup> in regard to the outside areas, trees, shrubs, art etc. Building concern is still the placement of the Multi Purpose Room and WIFI in the park, PA system throughout the park and access to first aid area by emergency vehicles which needed to be addressed. Staff still to respond.

Sanjeet enquired about the parking which would appear to be a “nightmare”. Gregg responded that there are 30 plus parking spots along by the Tennis Courts which are available Mon thru Friday for 2 hours until 5 pm.

Bob continued that the Minoru Complex had been referred back to staff by Council. Lance enquired about the fencing along north/south side and Bob responded that this was mentioned and would have to wait until the project was completed. This will then be addressed and adjustments made. Gregg acknowledged that once the contractor was off site then the sub trades would address the issues raised.

Serj recommended that a “Walk Thru” be held and everyone thought this was a good idea. Gregg will arrange a site visit to review the check list.
